

SignedDistanceFunction< T >

```
graph BT; BoxSDF[BoxSDF< T >] --> SignedDistanceFunction[SignedDistanceFunction< T >];
```

The diagram illustrates an inheritance relationship. A light gray box labeled 'BoxSDF< T >' is positioned below a white box labeled 'SignedDistanceFunction< T >'. A blue arrow points vertically from the top of the 'BoxSDF' box to the bottom of the 'SignedDistanceFunction' box, indicating that 'BoxSDF' inherits from 'SignedDistanceFunction'.
